### What should you do if you have had contact to someone with a confirmed case of COVID-19?

**When are you prohibited from entering the university campus?**

<table>
<thead>
<tr>
<th>Category 1 contacts or anyone receiving such notification from the Corona-Warn-App (red = higher risk of infection)</th>
<th>Category 2 contacts or anyone receiving such notification from the Corona-Warn-App (green = lower risk of infection)</th>
</tr>

**A higher risk of infection can result from, for example:**

- **More than 15 minutes of face-to-face contact with a person who has tested positive**
- Direct contact to secretions and bodily fluids of the person who has tested positive
- **More than 30 minutes in the same poorly-ventilated room as this person** (= higher concentration of infectious aerosols, e.g. during a party or while doing indoor sports)

**A lower risk of infection can result from, for example:**

- **Spending time in the same room** as a person who has tested positive while following the AHA-L rules **AND with less than 15 minutes of face-to-face contact**
  
  **AHA-L rules:**
  
  A = “Abstand” (keep the required distance apart)
  
  H = “Hygiene” (maintain good hand hygiene)
  
  A = “Alltagsmaske” (wear a face mask)
  
  L = “Lüften” (ventilate the room regularly)
  
  A short period (< 30 min.) spent in a room with a high concentration of infectious aerosols

**Recommended action**

- **Staff:** inform your **supervisor**, **students:** inform the **person teaching your seminar or course**, **AND** send an email to coronameldung@uni-konstanz.de

  **Inform the Gesundheitsamt (health authority)!**
  
  The staff there will decide which further measures are required (contact category, testing, etc.)
