Have you …

- been to a COVID-19 risk area
- had a stay, stopover or change of train/bus etc. in a risk area
- live in the same household as persons returning from a risk area or have/had close (body) contact

**you are not permitted to enter the University of Konstanz campus and this office for 14 days after returning!**

If you experience flu symptoms (fever, coughing, trouble breathing), please do not enter this office and contact us via phone or email instead.

You can find all information, in detail and updated several times per day, on our website: uni.kn/coronavirus
